PHILIPS
HADCO
sense and simplicity

Why EnduraLED?

The Philips EnduraLED lamp delivers performance you can count on. EnduraLED: The simple, efficient and sustainable way to upgrade to LED lighting — *the future of lighting.*

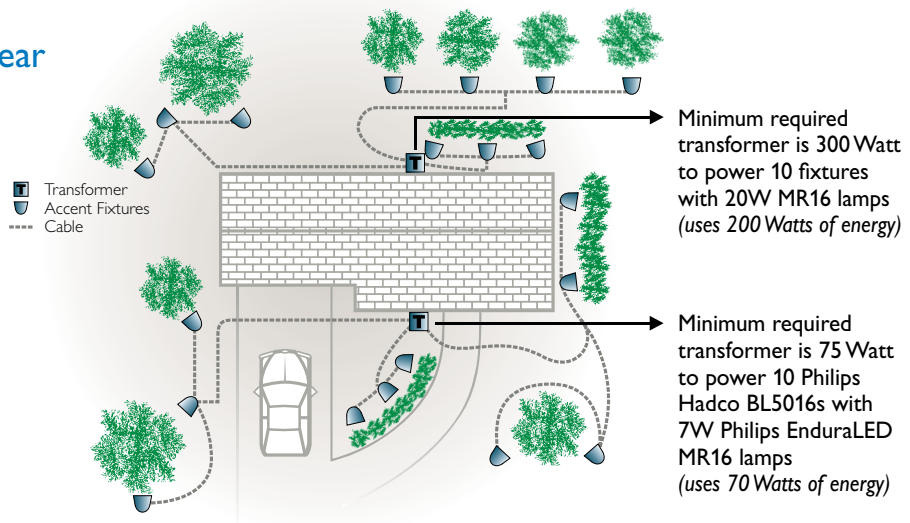

High Efficacy LED Accent

- Improved transformer compatibility
- Instant-on light
- Emits virtually no UV/IR light beam
- 20,000+ hours rated life
- CCT: 2700K, 4000K
- No UV and Cool Beam (no IR)
- Contains no mercury
- Delivers quality white light and a crisp, uniform beam
- 7W MR16 features active cooling technology to disperse heat
- 80% energy savings compared to a 35W 12VAC halogen lamp
- Broadest 12VAC halogen electronic transformer compatibility
- 24° beam angle for a clearly defined beam spread
- Environmentally friendly, without Mercury or any other hazardous substances
- RoHS compliant

Save 30% to 40% in installation and first year energy costs with Philips Hadco BL5016 and EnduraLED MR16 lamps:

- Reduced wire gauge
- Reduced transformer size
- Reduced labor in wiring
- Reduced energy usage
